

ASSOCIATE VIDEO EDITOR

At ZeroLight we live by four key values – innovation, quality first, market focus and collaboration. As Associate Motion Graphics Designer your role will incorporate these values as you work at the forefront of 3D technology and partner with some of the biggest brands in the automotive and technology world including Audi, Pagani, Toyota and Unity.

The successful candidate will be responsible for assisting the Senior Motion Graphics Designer in editing and creating video content for marketing materials for a range of ZeroLight projects. You will work within a multi-disciplinary marketing team delivering high quality video trailers and presentation material from brief to final implementation.

The role demands strong self-motivation and excellent organisational skills and is an exciting opportunity for a creative individual to make an immediate impact within the tech industry.
